### **Notice of Business Integration within GMO Group**

With the aim of strengthening its server business operations, the GMO Group, of which Global Media Online Inc. (“the Company”) is the core member, is pleased to announce the integration of Onamae.com inc. into GMO Hosting And Technologies, Inc.

GMO Hosting And Technologies, Inc. (of which the Company owns 81.0%), is a core company in the Group’s server business, providing low-cost, high-quality hosting services through the “iSLE” and “RapidSite” brands.

Onamae.com inc. (of which the Company owns 85.0%), which recruits customers through domain registration, offers the Windows®-based hosting-service, “Onamae.com Premier Server,” through a partnership with Microsoft Corporation.

To provide better services and improve the efficiency and profitability of operations, the GMO Group has decided to integrate the business resources of GMO Hosting And Technologies, Inc. and Onamae.com inc. This business integration will strengthen the Windows®-based hosting-service and allow for further service improvements.

The integration is scheduled to be completed on February 1, 2005, after the two companies have undertaken the necessary procedures.

The integration will not change the Company’s performance, as it constitutes a reorganization within the GMO Group.
