## **GMO Internet Group Company, GMO CLICK Securities to Establish Overseas (Hong Kong) Subsidiary**

At a Board of Directors meeting convened today by GMO Internet Group company, GMO CLICK Securities, it was resolved to establish a new subsidiary in Hong Kong.

### 1. Objective of Establishing Subsidiary

GMO CLICK Securities will establish a subsidiary in Hong Kong as part of a broader strategy to broaden operations through the expansion of its retail foreign exchange business to international markets. In addition to maintaining the lowest fees in the industry, going forward GMO CLICK Securities aims to expand its line of products in order to become a comprehensive financial services provider that meets the diverse needs of our customers. At the same time the company continues to provide innovative services and a leading edge transaction system that is both straightforward and convenient.

### 2. Overview of New Subsidiary

- |     |                              |   |
