2. Objective of the Dividend Forecast Revision

GMO Internet demonstrates a clear commitment to returning value to shareholders through its dividend policy. The policy objective is to distribute 33% of consolidated net profit in dividend payouts, after taking into consideration overall business performance and financial condition. Based on this policy, in consideration of business performance in the 12/2014 fiscal year it was decided to revise the end-of-term forecast up JPY1.00 to JPY5.00. As a result the total forecast is revised from JPY16.00 to JPY17.00 (34.3% payout ratio).
