Commemorative Dividend to Celebrate Surpassing JPY100 billion in Net Sales

GMO Internet Inc. today convened a Board of Directors meeting that resolved to payout a commemorative dividend during the 2015 fiscal year in celebration of surpassing JPY100 billion in consolidated net sales.

1. Objective of Commemorative Dividend

GMO Internet demonstrates a clear commitment to returning value to shareholders through its dividend policy. The policy objective is to distribute 33% of consolidated net profit in dividend payouts after taking into consideration overall business performance and financial condition. Based on this policy, in commemoration of reaching over JPY 100 billion consolidated net sales, and to recognize the ongoing support of our shareholders, the company will pay an additional JPY2.00 dividend in the first quarter of FY12/2015.

Including the JPY2.00 commemorative dividend, the total dividend forecast for FY12/2015 is JPY21.00 (38.1% dividend payout ratio).
