Notification of Organization and Personnel Change (New Department Established)

GMO Internet, Inc. today announced organization and personnel change effective April 1, 2018.

1. Organization change April 1, 2018

(1) Establishment of Group Information Security Audit Office

GMO Internet will establish “Group Information Security Audit Office” to strengthen information security management and audit function in the whole group. A knowledgeable security expert will join our company. In addition, we will invite an external security expert as an adviser. Thus, we will protect important customer information from increasingly sophisticated cyber-attacks by our highly secured countermeasures and pursue to improve group information security literacy and foster security personnel.

2. Personnel change April 1, 2018

Name	New Role	Current Role
Takeshi Miyazaki	Group Information Security Audit Office General Manager	(Newly appointed)
