2. Reason for Dividend Payout

GMO Internet demonstrates a clear commitment toward returning value to shareholders through its dividend policy. Under the policy, the company aims to return 50% of profits to shareholders. The company's target dividend payout ratio is a minimum of 33% of consolidated net profit, while we will aim to allocate the remainder of the 50% of consolidated net profit to the acquisition of treasury stock after taking into consideration business results and financial condition, and taking a flexible approach in accordance with share price. We have also adopted a quarterly dividend system to enable prompt profit return to shareholders.

The company will pay a quarterly dividend of ¥6.20 per share for the current quarter (33.1% payout ratio). As for the next quarter, we intend to pay dividends in accordance with the above policy.
